Day 07: Chandigarh/Delhi Depart

After breakfast, check-out from hotel and enjoy the city tour. Of Chandigarh:

Rock Garden: Chandigarh rock garden is an epitome of creativity and innovation. It is a unique garden that consists of various art objects. But the best part about the rock garden is

that each of its artwork has been made by using industrial & urban waste. It is located in Sector 1 between the Capitol Complex and Sukhna Lake. The credit for laying its foundation goes to Nek Chand, who was the then Road Inspector in the Engineering Department of Chandigarh Capital Project. Rose garden of Chandigarh, India is the largest of its kind in Asia. Named after India's former President, Zakir Hussain, this beautiful garden was set up in 1967 with the support of Chandigarh's first Chief Commissioner, late Dr M S Randhawa. Chandigarh rose garden contains more than 17,000 plants. There are nearly 1,600 varieties of roses over there. It is a spacious garden covering an area of 27 acres. Later drive to Delhi airport to board the flight for onwards the journey with fond memories of trip.
